About the property

Eltiera Views rises in Jumeirah Islands as a natural evolution of Eltiera Heights, shaped by the calm of sculpted greens and the distant waters of Jumeirah Islands. Its origami-like façade guides airflow and animates the streetscape, while light-filled apartments with open layouts, oak flooring, and custom joinery frame serene lake and skyline views. Two infinity pools — one family, one adult — set a resort tone on the podium deck, complemented by a yoga zone, a climbing wall, a dance studio, and a wellness spa with sauna and vitality pools.

At the heart of the community, a four-level clubhouse unfolds as a social and creative hub: a co-working lounge with private pods, a cinema room, a library, a kids' play area, and an elevated club lounge with panoramic terraces. Ground-floor retail and a supermarket ensure daily essentials are always within reach. A disciplined payment structure, with 30% only due on completion, offers investors a capital-efficient entry into one of Dubai's most established, low-density residential addresses.
