About the property

Riviera Residences draws its soul from the Arabian Gulf itself — Herzog & de Meuron translate the UAE's pearl-diving heritage into iridescent mother-of-pearl façades that shimmer above the shoreline of Al Reem Island. A private marina, a vibrant waterfront promenade lined with cafés and boutiques, and a collection of ocean-edge villas, sky villas, duplexes, and apartments redefine Abu Dhabi living with a distinctly Mediterranean calm. Generous terraces frame open-horizon views, while interiors are bathed in soft, natural light. The resort-level amenities — multiple pools, a padel court, indoor and outdoor gyms, a spa with ice bath and sensory shower, a family club with cinema, and panoramic picnic areas — transform everyday rituals into curated retreats.

Al Reem Island is rapidly emerging as Abu Dhabi's new urban core, anchored by the financial hub of ADGM, top-tier schools, Reem Mall, and the cultural riches of nearby Saadiyat Island. A structured 60/40 payment plan, with only 40% due on handover, lightens the entry into this architectural legacy. With the combined force of Pritzker Prize-winning architects and Mered's development vision, Riviera Residences offers more than an address — it is an invitation to a life framed by water, art, and enduring value.
