About the property

Residencial Laguna Azul is an exclusive development of just 11 independent villas in La Herrada, Los Montesinos — one of the most beautiful and tranquil areas on the southern Costa Blanca. The project is inspired by its natural surroundings, offering stunning views of the Torrevieja and La Mata lagoons and the surrounding Mediterranean landscape. Each villa features a private swimming pool, a private garden, a spacious solarium with panoramic views, and a pre-installation for an electric vehicle charger. The interiors are designed with high-quality materials, an open-plan American kitchen with a breakfast bar, a bright living-dining area, three bedrooms and three bathrooms. An optional finished basement with windows, a kitchen, two bedrooms, a bathroom and a living area is also available in selected properties.

This peaceful residential complex is ideally situated between the protected natural park of Las Lagunas de La Mata-Torrevieja and the Blue Flag beaches of Guardamar del Segura, just a few minutes' drive away. Daily amenities, restaurants and leisure facilities are within a 10-minute drive to the Doña Pepa area. Whether you are looking for a permanent home, a holiday retreat or a sound investment on the Spanish coast, Residencial Laguna Azul combines modern comfort, serene surroundings and a prime location near the Mediterranean Sea.
