About the property

Golf Greens at DAMAC Hills is an elegant twin-tower ensemble designed for those who love life on the fairway. From 1-bedroom apartments to spacious 3-bedroom townhouses, every home opens onto terraces or balconies where you can literally tee off toward the greens. The Trump International Golf Club forms a serene backdrop, while amenities like an infinity pool with golf-green islands, a giant swing, an indoor simulator academy, and night glow golf keep the sporting spirit alive around the clock. Palm gardens, aqua lounges, and custom 3D-printed golf gear add a personal touch.

The project offers consistent financial comfort: both tower groups require a 24% initial deposit and a 26% construction-linked instalment plan, leaving a final 50% on handover. Set in the mature DAMAC Hills community, with schools, malls, and a wave pool minutes away, this address blends championship golf with family-friendly convenience, promising strong rental demand and lasting value.
