About the property

Altos del Chaparral is an exclusive residential complex of 120 homes located in the heart of the Costa del Sol, surrounded by elite golf courses. The project offers avant-garde architecture, panoramic sea views, and the unique "Living Well" concept, merging modern comfort technologies with the harmony of pristine nature across a 31,000 sqm plot.

Designed by Alberro Arquitectos, the complex features three buildings seamlessly integrated into the landscape. Residents enjoy luxury amenities: a spa with a heated pool and sauna, a state-of-the-art gym, co-working spaces, and two outdoor saline pools. The vast grounds include beach volleyball and paddle courts, a BBQ chill-out area, organic vegetable gardens, and a private putting green for golf practice.

The apartments feature floor-to-ceiling panoramic windows, merging interiors with spacious terraces. Aerothermal systems and premium finishes ensure top-tier energy efficiency and an exceptional lifestyle. This represents a perfect investment in trophy real estate, combining the serenity of a natural oasis with proximity to the vibrant life of Fuengirola and Marbella.
