About the property

Coronella Living by TM is a modern low-rise residential development by TM Grupo Inmobiliario in the tranquil La Coronelita area of Torrevieja, right near the famous Pink Lagoon. The project comprises 112 bright 2- and 3-bedroom bungalows featuring private ground-floor gardens or expansive top-floor solariums. Swimming pools, jacuzzis, lush landscaped areas, and close proximity to Costa Blanca's finest beaches create an ideal sanctuary for relaxed living and smart investing.

The architecture is thoughtfully designed to maximize natural sunlight and embrace the mild Mediterranean climate year-round. Within the gated communal grounds, residents enjoy adult and children's swimming pools, outdoor jacuzzis, landscaped gardens, and safe play areas. Every property includes a designated parking space, with many units offering private storage rooms and optional turnkey furniture packages.

Its strategic setting provides effortless connections to Torrevieja’s sandy beaches, town center, shopping hubs, dining venues, and renowned regional golf courses. Securing an off-plan home in this sought-after coastal destination guarantees strong rental yields and steady capital appreciation upon completion.
