About the property

Sunhill is a modern residential complex in the prestigious Los Pacos area of Fuengirola, offering 15 exclusive apartments with panoramic terraces. The project blends elegant architecture, high-quality finishes, and a prime location just 2 km from the sea, creating the perfect balance between natural tranquility and urban vibrancy.

The development features 2-bedroom homes designed to maximize natural light intake. Interiors boast open-plan kitchens with premium national brand appliances, porcelain tiling, and advanced ducted air conditioning systems. Residents enjoy high-end communal amenities, including a swimming pool, sauna, fully equipped gym, and an on-site laundry facility.

Located within a 5-minute walk of Los Pacos center, the project is surrounded by top private schools, sports clubs, and landscaped parks. The integration of sustainable technologies, such as aerothermal systems and photovoltaic panels, ensures superior energy efficiency and reduced utility costs. This represents an exceptional investment opportunity in one of Costa del Sol's most desirable residential neighborhoods with significant capital appreciation potential.
