About the property

Mercedes-Benz Places | Binghatti City is the world's first branded city, comprising 12 monumental towers that redefine Dubai's skyline. The project embodies the "Sensual Purity" philosophy, merging the powerful character of the Mercedes-Benz automotive brand with future-forward architecture in the heart of the prestigious Nad Al Sheba district.

The scale of development is staggering: 12 skyscrapers inspired by legendary concept cars — from Vision EQXX to Vision One-Eleven — form a unified futuristic ecosystem. The architecture, featuring flowing, sculpted forms, creates a sense of kinetic energy, while the interiors are crafted with premium materials, reflecting the luxury and engineering excellence of Mercedes-Benz.

Residents gain access to unprecedented infrastructure: sky infinity pools, skyline jogging paths, private gardens, and the exclusive Mercedes-Benz Ecosystem service. This is more than just a home; it is a world-class collectible investment asset located only 8 minutes from the Burj Khalifa and Dubai Mall, ensuring significant value appreciation.
