About the property

Skypark Lucean Jomtien Pattaya is the first branded project in Pattaya managed by the world-renowned Banyan Tree Group. Two futuristic towers (60 and 31 floors) offer residences with a unique "single-corridor" design, ensuring absolute privacy and 100% panoramic sea views from every unit. The complex combines premium hospitality infrastructure: multi-level sky pools, a fitness center and spa, coworking space, a kids club, and the breathtaking Rosy Clouds Bar on the 49th floor.

Beyond its impressive architecture, owners gain exclusive access to the Banyan Tree Sanctuary Club program with discounts of up to 30% on hotels, spas, and restaurants worldwide. Professional rental management by Banyan Living makes this project an ideal tool for passive income with a projected yield of 6-10% annually.
