About the property

Safa 1 brings a thoughtful blend of comfort and contemporary elegance to the Aljada masterplan. The mid-rise building presents light-filled residences with clean layouts, quality materials, and smart home features as standard. Each kitchen is fitted with a premium European cooker, hood, and washer-dryer, while generous windows frame views over landscaped courtyards and the surrounding community. A private gym, a residents-only swimming pool, and shaded green spaces are seamlessly integrated into the podium, offering an active yet tranquil atmosphere.

The project enjoys an exceptional location just steps from West Boulevard's dining, retail, and essential services, and is directly adjacent to Aljada's full-size sports complex with football pitches, padel courts, and more. The payment plan requires a 5% down payment, 35% over 24 months, and the remaining 65% upon completion. With Raffles International School and the Madar entertainment zone minutes away, Safa 1 is a practical, stylish home for families seeking connection and convenience.
