About the property

Fashion TV Acacia rises on Al Marjan Island, where the coastline meets a growing destination for luxury living. Its architecture, shaped by Conin International, plays with proportion, light, and shadow, while lush courtyards and ocean-facing terraces draw nature deep into daily life. Inside, interiors are styled with a fashion-first sensibility — clean lines, rich textures, and a polished yet inviting palette that echoes the language of haute couture.

The amenity experience is woven through the tower and its surroundings. An infinity pool suspended beside a signature restaurant, a gym overlooking the sea, landscaped gardens, and quiet lounges give each day a resort-like tempo. With the Wynn Resort and other landmarks minutes away, the address balances seclusion with connection, offering a setting that feels both removed and remarkably well-placed.
