About the property

Residencial Bellavista is a unique residential project that combines independent designer villas and modern bungalows in San Miguel de Salinas, the renowned "Balcony of the Costa Blanca." The complex is built in 4 phases and offers a range of housing typologies: ground-floor bungalows with private gardens and upper-floor bungalows with private solariums featuring panoramic views over the iconic pink lagoons of Torrevieja and La Mata, as well as spacious villas with private pools. According to official information, all villas have private plots of a minimum of 320 m^2 with a 7 x 4 meter pool. All housing types in the complex come with an open-plan kitchen, a bright living-dining room, an armored front door, double-glazed windows, pre-installation for air conditioning, and fitted kitchens and bathrooms.

This satellite community is designed for a peaceful life surrounded by nature, yet with easy access to all necessary amenities: renowned golf courses are within 4 km, the best beaches of the Costa Blanca are 7-8 km away, and Alicante International Airport is reachable in 30-40 minutes. Bellavista offers an unparalleled quality of life, combining the tranquility of a rural location with the convenience of being close to the coast and major infrastructure, making it an excellent choice for both a permanent residence and a holiday home with high investment potential.
