About the property

Rising gracefully along the pristine shores of Al Marjan Island, Aqua Maya is conceived as a personal sanctuary where the rhythm of the sea dictates the pace of life. Its wave-inspired, balcony-led façade, softened by earthy tones and subtle illumination, blends into the coastal landscape. Floor-to-ceiling windows erase the boundary between inside and out, while soundproofed walls, individual climate control and humidity-managed systems wrap every residence in quiet comfort. Landscaped podiums, shaded seating decks and an expansive infinity pool create a resort-like backdrop, while the gentle sound of the Gulf becomes the permanent soundtrack to daily rituals.

Set in Ras Al Khaimah's most visionary waterfront community, the project stands at the crossroads of natural beauty and ambitious urban growth. Landmark destinations like the upcoming Wynn Resort, along with seamless connectivity to both RAK and Dubai airports, signal strong long-term appreciation. A deliberately flexible payment structure makes acquisition effortless, allowing investors and end-users alike to secure a foothold in one of the UAE's fastest-rising coastal addresses. Aqua Maya is not simply a home by the sea — it is an invitation to a calmer, more intentional way of living, wrapped in enduring value.
