About the property

Lima Collection is a unique expression of Mediterranean style, offering 20 villas distributed across 6 exclusive architectural models. Located in the privileged Lima Community of Las Colinas Golf & Country Club, these single-level residences are seamlessly integrated into the natural woodland that connects to the resort‘s leisure areas. Expansive floor-to-ceiling windows open onto landscaped terraces, creating a refined interplay of volumes that blend interior comfort with the beauty of the Mediterranean environment. Each villa features its own private swimming pool and garden, delivering a true oasis of privacy and exclusivity.

Set within one of Spain‘s most decorated golf resorts, recognized as both “Spain & Europe‘s Leading Villa Resort” and home to a championship golf course ranked among Europe’s top 100, Lima Collection provides an unparalleled lifestyle. Residents enjoy access to world-class amenities including the Las Colinas Sports & Health Club, Racquet Club, fine dining restaurants and the WOW Beach Club on the Mediterranean shore. This is a rare opportunity to acquire a contemporary home where design, nature and wellbeing come together in perfect balance — a place where living truly takes on a new meaning.
