About the property

The Title Kirara is a premium Japanese-inspired residential project located in the heart of Bang Tao, Phuket. It harmoniously combines authentic Oriental aesthetics with modern functionality, offering a serene sanctuary for both high-end living and strategic investment. The architecture and landscape are deeply rooted in the concept of "Kirara," reflecting the sparkling beauty of nature through minimalist design and zen-like spaces.

The complex features world-class amenities, including authentic onsen baths, a tea pavilion, and meticulously manicured zen gardens. Residents have access to multiple swimming pools, a state-of-the-art fitness center, and dedicated co-working spaces designed for the modern lifestyle. Every detail, from the selection of natural materials to the lighting, is crafted to evoke a sense of peace and refined luxury.

Situated in one of Phuket's most prestigious locations, the project is minutes away from the pristine Bang Tao Beach and the vibrant Laguna Phuket area. Its proximity to luxury beach clubs, international schools, and golf courses ensures strong rental demand and long-term capital appreciation. The Title Kirara represents a unique fusion of cultural heritage and contemporary tropical living.
