About the property

Azahar Apartments, located within the Limonero Community at Las Colinas Golf & Country Club, offer a refined fusion of contemporary design and Mediterranean warmth. Spread across two elegant blocks, these 2- and 3-bedroom residences feature spacious terraces and private gardens with spectacular views of the championship golf course and the Mediterranean Sea. Landscaped gardens and two swimming pools — one heated — invite year-round relaxation. Each home includes a private parking space and storage room, ensuring everyday comfort and functionality.

Designed by ADORAS Atelier with interiors by Mediterranean Nomad, every detail celebrates the connection with nature. Natural materials, soft tones, and minimalist lines create serene, elegant spaces. Residents enjoy exclusive privileges through My Las Colinas, the private owners‘ club, including golf, dining, wellness, concierge services, and 24/7 security. This is more than a home — it’s an invitation to embrace the Mediterranean lifestyle in one of Europe’s most awarded resorts.
