About the property

SALT of Virgin Beach is a premium beachfront hotel complex with 84 suites situated directly on the white sands of Virgin Beach in Bali. Managed by the international operator The Lux Collective, the project merges eco-conscious architecture, panoramic ocean and Mount Agung views, and 5-star amenities. It offers a rare opportunity to own high-yield resort property with strong rental performance on Bali's picturesque eastern coast.

Suites ranging from 48 to 105 sqm feature private terrace baths, eco-friendly natural finishes, and expansive floor-to-ceiling windows. Amenities feature two restaurants, a rooftop cinema, anti-age SPA, G.Bar beauty space, a private diving center, a 434 sqm main pool, and a two-level kids' club.

The Lux Collective completely manages all property operations, bookings, and marketing. Investors benefit from a secure 30-year leasehold agreement extending to 2054 with guaranteed 30-year renewal, high rental yields, and fractional equity entry options.
