# About the property

Sunny Moon is a new business-class project by developer Sunny Holding, located in one of Phuket's most prestigious and tranquil areas. The complex offers a wide range of layouts, from compact studios to an exclusive two-level penthouse with panoramic sea views. Its well-thought-out infrastructure includes a rooftop pool, Ayurvedic center, spa, coworking space, and an open-air cinema, creating ideal conditions for living, relaxing, and remote work.

The project is designed with a focus on investment appeal: an in-house management company adhering to Marriott standards ensures high occupancy rates. Its proximity to the famous Nai Harn Beach, ranked among Asia's top 5 beaches, coupled with a limited supply of new housing in the area, guarantees stable demand and high liquidity for your investment.
