About the property

Eden Residences is a lifestyle philosophy where nature and architecture merge into one. Imagine waking up to the whisper of waves, stepping onto a spacious terrace overlooking the endless ocean, then wandering through a tropical garden that leads straight to the sandy beach. No crowds — just 141 residences, each meticulously designed for your comfort and seclusion.

Open layouts, panoramic glazing, Italian kitchens and the amenities of a five-star resort make you feel like you live in your own private paradise. Yet you remain connected: restaurants, a spa, a kids' club and underground parking are all a short stroll away. Eden Residences is for those who cherish silence but refuse to compromise on convenience. This is your invitation to an exclusive enclave where luxury reveals itself in simplicity.
