About the property

Las Higuericas by Duly is an exclusive collection of luxury tourist apartments situated right on the beachfront of the famous sandy Las Higuericas beach in Torre de la Horadada. The project features modern 2-bedroom apartments, where ground floor units offer private gardens and terraces, while top-floor penthouses feature spacious rooftop solariums with stunning sea views. Gated community amenities include a communal pool, reception, fitness center, co-working space, and petanque court, making it a turnkey high-yield investment opportunity.

Every residence is delivered fully turnkey and ready for immediate tourist operation, including a comprehensive furniture package, Johnson kitchen appliances, ducted hot/cold air conditioning, an aerothermal water heater, electric blinds, and designer lighting. Each property also comes with an underground parking space and a private storage room included in the total price.

Its unbeatable location just steps from the Mediterranean Sea, combined with professional property management, reception services, and premium resort facilities, ensures maximum occupancy rates and long-term capital appreciation for property owners.
