About the property

Viva Life Beach is an exclusive boutique development of 24 luxury tourist apartments located near the sea in the sought-after area of Mil Palmeras. The project features stylish 2-bedroom residences with large terraces, private gardens, or rooftop solariums with sea views. Residents enjoy gated community amenities, including a swimming pool with a children's section, jacuzzi, gym, co-working area, and landscaped gardens, blending coastal luxury with exceptional investment returns.

Every residence is delivered fully turnkey, complete with a complete furniture package, ducted air conditioning, fitted kitchen with white goods, stylish bathrooms, and built-in storage solutions. Each property includes its own assigned parking space and private storage room within the development.

Positioned just a short stroll from golden sandy beaches, lively seaside promenades, and local dining, the project benefits from year-round tourism. Direct access to the AP-7 highway links the property smoothly to both Alicante and Murcia airports, ensuring high occupancy rates and steady long-term capital growth.
