About the property

Benisol Apartments III is an exclusive residential development by Grupo Vermell located at the entrance to Benijófar, one of the fastest-growing areas on the southern Costa Blanca. The project seamlessly blends innovative design, high-end materials, and signature interior features like a rotating TV cabinet and an elegant window seat. Properties feature 3-bedroom, 2-bathroom layouts, private underground parking, and access to a spectacular rooftop communal pool and lounge area. An outstanding choice for Mediterranean living or a high-yielding real estate investment on the Costa Blanca.

Every residence in the complex is designed to optimize space, light, and modern living ergonomics. Interior layouts center around an expansive open-plan living and dining area, a contemporary kitchen with an island, induction hob, and extractor, alongside three bright bedrooms and two stylish bathrooms. Ground-floor apartments boast private gardens and sun terraces, while upper-level homes offer direct access to rooftop solariums capturing open vistas over the surrounding landscape.

Benijófar provides an active, year-round international lifestyle combined with immediate access to essential services. Golden sandy beaches in Guardamar del Segura and championship golf courses are only minutes away, while Alicante Airport can be reached in a short 20-minute drive. Outfitted with energy-efficient aerothermal systems, pre-installed ducted A/C, underground parking, and a rooftop pool, Benisol Apartments III guarantees sustained long-term asset appreciation and rental returns.
