About the property

Jazmín Garden represents an exclusive collection of contemporary ground-floor apartments by Euromarina, located in the prestigious Doña Pepa urbanization in Ciudad Quesada. The Jazmín model features 3 bedrooms, 2 bathrooms, an open-plan kitchen, and a sunlit living area leading out to a private terrace and personal garden. Residents enjoy access to a communal swimming pool, beautifully landscaped gardens, and dedicated parking. A premier choice for a relaxed Mediterranean lifestyle or a high-yielding real estate investment on the Costa Blanca.

The apartment layout is designed entirely on the ground level to deliver spatial flow and everyday convenience. The spacious living-dining room connects seamlessly to an open-plan kitchen and opens wide to a covered terrace with an adjoining private garden. Complete with exterior finishes, premium tiling, and built-in wardrobes, these residences reflect Euromarina's high standards of Mediterranean craftsmanship.

Doña Pepa is a fully consolidated residential district offering all urban services year-round: supermarkets, medical clinics, international schools, restaurants, and a 4-star spa hotel. The golden beaches of Guardamar del Segura and the La Marquesa Golf course are just a 10-minute drive away, while Alicante Airport can be reached in 35 minutes. High rental demand and superior location ensure solid value appreciation for owners.
