About the property

Amara Maris is a beachfront residential development by Euromarina, located in the extraordinary setting of La Manga del Mar Menor. The project offers stylish, modern apartments with breathtaking sea views, blending contemporary architecture, ergonomic layouts, and premium finishes. Residents enjoy a private gated community featuring a communal swimming pool, landscaped gardens, and dedicated parking. A premier choice for coastal Mediterranean living, family holidays, or a high-yielding real estate investment.

Every apartment in the development is masterfully planned to optimize natural light, spatial flow, and living comfort. Open-concept living-dining rooms integrate seamlessly with modern fitted kitchens, expanding onto expansive private sun terraces with uninterrupted views of the sea. High-grade specifications include porcelain stoneware flooring, double glazing with thermal break, fitted wardrobes, security doors, and premium bathroom fittings.

La Manga is a world-renowned natural strip separated by two seas — the Mediterranean and the Mar Menor lagoon — offering perfect conditions for water sports, sailing, and year-round coastal relaxation. The gated grounds of Amara Maris provide immediate access to sandy beaches, marinas, seafront dining, and essential urban amenities. Backed by Euromarina's long-standing reputation, this complex stands out as a prime investment choice with strong capital growth.
