About the property

Sunny Moon Village is a new project of premium family villas by developer Sunny Holding. The complex offers spacious yet thoughtful layouts without unnecessary unused space, making it an ideal choice for comfortable family living. Each villa is equipped with a private pool, smart-home system, and a tropical minimalist design with panoramic glazing that blurs the boundaries between home and garden. The project is also pet-friendly.

A key advantage is residents' full access to the extensive infrastructure of the adjacent Sunny Moon condominium, including restaurants, a spa, sports, and children's areas. The developer's in-house management company ensures professional service and high investment appeal.
