About the property

Marina Golden Bay is the flagship high-rise project by developer Global Top Group, shaping Pattaya's new architectural skyline. Two 51-story towers offer residents an unprecedented level of comfort and exclusive amenities. The complex's infrastructure includes a luxury water park on the ground floor, a full-scale fitness center, a spa area with saunas, with the main highlights being a sky-pool and lounge area with breathtaking 360-degree views, located on the 27th and 51st floors.

Beyond premium amenities, the project boasts strong investment potential. Its location in the heart of active South Pattaya, within walking distance of shops, restaurants, and transport links, guarantees consistently high rental demand. The developer's in-house management company offers a guaranteed return program, making investment in Marina Golden Bay as passive and predictable as possible.
