About the property

Harmonia City Garden is the eighth project by the renowned developer Global Top Group, embodying the finest features of European architecture. The complex consists of four 8-story buildings surrounded by landscaped gardens, fountains, and a wrapping pool on the ground floor. Residents can enjoy a fitness center, sauna, restaurants, cafes, and underground parking, creating a unique country club atmosphere in the city center.

The main advantage is its location in the central Nong Prue district, just minutes from the main beaches, shopping malls, and the famous Walking Street. Thoughtful layouts, from studios to 2-bedroom apartments with high-quality finishes, make the project attractive for both personal residence and investment with high rental income potential.
