About the property

Imagine a place where every morning begins with coffee on your terrace, watching sunlight dance on a lake filled with koi fish. Lake Residences is an oasis of calm within Gardens of Eden, where nature becomes an extension of your living room. Instead of traffic noise, birdsong; instead of concrete walls, panoramic windows opening onto tropical gardens.

Spacious, meticulously designed floor plans are perfect for families: children can safely play on green lawns while you unwind at the spa or work out in the wellness centre. Evenings bring everyone together by the lagoon-style pool or in one of the on-site restaurants, and weekends are spent exploring walking trails that wind through exotic greenery. Lake Residences is your ticket to a life where time slows down and happiness is built from simple moments in the fresh air.
