About the property

La Finca Villas is the signature expression of refined coastal living in the heart of Canggu, just 500m from Batu Bolong Beach. The project blends timeless Mediterranean architecture with premium materials, offering a perfect balance between a sophisticated lifestyle and high investment potential.

Each villa is meticulously crafted using natural stone, marble, and wood to highlight a modern Bali aesthetic. Situated in the island's most desirable walkable location, residents are just minutes away from top-tier venues like Mason and Meimei, as well as iconic beach clubs.

With professional in-house management and consistently high occupancy rates in this prime area, owners can enjoy a completely turnkey investment and passive income from day one after completion.
