About the property

Vista del Mar is an intimate community of 20 exclusive villas on the western hillside, just 600 meters from Naithon Beach — one of Phuket's most secluded shores. Perched 45–70 meters above sea level with a west-facing orientation, every villa commands breathtaking panoramic views of the Andaman Sea and Phuket's legendary sunsets. The project offers two-storey residences with 2–5 bedrooms ranging from 300 to 700 sqm, designed in a contemporary tropical style with open-plan living areas, floor-to-ceiling windows, private infinity pools, and spacious sundecks.

The estate offers exceptional privacy: it is surrounded by Sirinat National Park, far from crowded tourist hubs, yet just 15 minutes from Phuket International Airport and 20 minutes from Laguna Phuket. An in-house management company provides 24-hour security, common-area maintenance, and a professional rental program, making Vista del Mar equally compelling as a private residence or an investment vehicle with a projected 12–15% annual ROI.
