About the property

Ramada Nusa Dua is a unique investment art-hotel managed by the global Wyndham brand, located in Bali's most prestigious district. The project combines the "smart luxury" philosophy with MayinArt gallery pieces, offering investors high yields and impeccable service just five minutes from the island's finest beaches.

The hotel concept targets an affluent audience that values aesthetics and cultural context: the interiors of rooms and villas are adorned with authentic works by Asian artists, which are refreshed annually. World-class infrastructure, including a Mediterranean restaurant, tropical SPA, fitness center, and coworking space, ensures consistently high occupancy.

With professional management by Wyndham, the world's largest hotel chain, investors enjoy a completely passive income on "autopilot" with a transparent financial model.
