About the property

Greet every sunrise with views of the endless Mediterranean Sea and majestic mountains — Hayat Dream Homes Gazipasa opens up a new reality for you. This fully completed, nine-story complex has become an architectural landmark of the area, located just 750 meters from the sea and steps away from ancient Selinus and the modern marina.

The amenities here rival those of a five-star hotel: heated outdoor and indoor swimming pools, a multi-sports court, and a comprehensive SPA center featuring a Roman bath, sauna, and hammam. Spacious layouts and floor-to-ceiling panoramic windows fill the apartments with light and fresh air. Proximity to Gazipaşan International Airport (just 3.75 km away) and a well-developed urban environment make this the perfect choice for active people who value their time.

Hayat Dream Homes Gazipasa is a turnkey solution both for a comfortable relocation and for high-yield investments in a rapidly developing area. Purchasing move-in-ready seaside property eliminates construction risks and allows you to immediately generate rental income or enjoy personal vacations without waiting for construction to finish.
