About the property

Harmony Premium is a flagship project by the Black Sea coast leader, Harmony Suites, located in Bulgaria's most famous resort — Sunny Beach. The complex offers an exclusive lifestyle with original architecture, modern design, and a premium club system. It is a perfect blend of world-class comfort and high investment appeal, just steps away from the pristine beaches of the Black Sea.

Apartment owners gain access to unique infrastructure: multi-level swimming pools on all sides of the complex, a panoramic Sky Lounge with a water area, a modern spa center, and a TechnoGym fitness room. The club system also includes a tennis court, a football school, and playgrounds. Thanks to professional management by their own management team, investors can expect high occupancy and stable rental yields.

The project is located in close proximity to Burgas Airport (30 km) and the ancient museum city of Nesebar, making it desirable all year round.
