About the property

Samana Ibiza embodies a philosophy of carefree elegance, bringing the spirit of the famous island to the dynamic DLRC district. Each residence here is a personal oasis, where panoramic windows and open-plan layouts blur the line between home and the endless sky. An essential detail is a private terrace pool, turning weekdays into a series of relaxing moments. Beyond private water zones, the complex offers lounge areas by the main pool, an open-air cinema, and barbecue zones, creating the perfect backdrop for vibrant gatherings.

Investors are attracted by the rare combination of a premium product and flexible terms: an 8-year installment plan with a long post-handover period makes the purchase extremely comfortable. The location at the intersection of the key Al Ain Road and Emirates Road highways provides direct access to the city centre and the airport, while the area itself is actively developing, guaranteeing stable capital growth and high rental demand.
