About the property

Isidora Living Las Mesas is a premium gated boutique development located in the heart of the Costa del Sol—Estepona, a charming resort town widely known as "The Garden of the Costa del Sol". The project features just 43 exclusive residences, ranging from ground-floor apartments with private gardens to spectacular penthouses. The sleek, clean lines of the modern architecture and expansive windows are strategically designed to capture the maximum amount of natural light throughout the region's 300+ annual days of sunshine.

Each property is built to exceptional standards with fluid, open-plan layouts where indoor living spaces flow seamlessly out onto generous private terraces. The Italian-design kitchens are fully equipped with premium integrated appliances (Bosch or similar). Through the "Isidora Bespoke" personalization program, buyers can customize their finishes, add underfloor heating in the master bathroom, or even install a private mini-pool on the terrace.

The true core of Isidora Living lies in its resort-style communal amenities, fully enclosed for ultimate privacy. The rooftop features an outstanding sunbathing deck equipped with a heated jacuzzi and a dedicated outdoor BBQ/dining lounge. Nestled within beautifully landscaped Mediterranean gardens is a large swimming pool with a waterfall oasis, while the indoor facilities include a high-tech fitness gym, a Turkish bath, a sauna, and a vibrant co-working Living Area with an integrated kitchen.
