About the property

Altura Residences is an exclusive boutique collection of five luxury villas located in the prestigious gated community of La Quinta, Marbella. Designed by the renowned GC Studios, this 24-hour secured enclave offers unparalleled panoramic views of the Mediterranean Sea and mountains. Each residence embodies a perfect blend of contemporary architecture and nature, featuring a private infinity pool, bespoke interiors, and ultimate privacy.

Spread across multiple levels, the villas feature 5 spacious bedrooms with en-suite bathrooms, highlighted by a master suite with a private terrace. Open-plan layouts and floor-to-ceiling windows flood the interiors with natural light, seamlessly connecting indoor spaces to manicured private gardens. The lower levels are fully dedicated to leisure, boasting a private fitness studio, a sauna, and an expansive entertainment lounge with an elegant integrated bar.

The crowning jewel of each home is the rooftop solarium, an idyllic retreat designed for outdoor dining and unwinding under the Andalusian sky. Secure your piece of sophisticated Mediterranean elegance, offering an unmatched lifestyle in close proximity to premier golf courses
