About the property

Aura Wellness Resort is Bali's most ambitious and innovative premium wellness destination, located on the tranquil northern coast of Lovina. Crafted by the award-winning SAI Architects, this iconic development is a gated ecosystem of conscious luxury set across natural hillside terrain. The project offers a collection of designer residences and villas seamlessly integrated with elite infrastructure for longevity, spiritual practices, and fitness.

The resort stands proudly as the world's first luxury retreat fully certified in the prestigious Breatheology® system by 10x Guinness World Record holder Stig Severinsen. Exceptional on-site amenities feature the grotto-like AYLA indoor thermal sanctuary, Michelin-level signature dining at UMI restaurant, NĀMA indoor/outdoor high-performance jungle gym, and an 85 sqm flagship Winston Studio. The spiritual center is defined by the NANGIJALA garden, beautifully crafted for yoga, meditation, and transformational evening mist rituals.

Strategically positioned just 30 minutes from the new North Bali International Airport, this development offers unparalleled capital appreciation growth. Under the strategic hospitality leadership of seasoned corporate experts with Marriott and Hilton operational backgrounds, Aura delivers high-performing yields and secure passive income in Bali's newest luxury frontier.
