About the property

Samana Park Meadows embodies the philosophy of conscious luxury in Dubai's greenest and most dynamically developing district. The complex is immersed in a landscape park, where every tree and walking path evokes a countryside estate. Architecture with clean lines and floor-to-ceiling glazing fills interiors with natural light, while a private terrace with a pool turns into a personal spa resort. Thoughtful layouts allow the space to breathe and adapt to the rhythm of family life.

The infrastructure makes it possible to rejuvenate without leaving home: a gym with cutting-edge equipment, a yoga studio, sauna and steam room form a complete wellness cycle. For family leisure, lounge zones, children's play areas and barbecue spots are provided, turning evenings into warm memories. The location at the junction of Al Ain Road and Emirates Road ensures direct access to the city centre, schools, and the airport. Investors will appreciate the 8-year payment plan and the growth prospects in an area that becomes more sought-after every year.
